

FasTrak

A STEADY STREAM OF POTENTIAL CLIENTS!

If you could simply get in front of more people, would your business grow?

Double Your Income in 90 Days!? Sounds crazy!. Yet in the last three years, 40+% of those who accepted the challenge by signing up for FasTrak have doubled their income. It's amazing what we can do when we make a decision to do something, and put a date on when we'll get it done.

In the meeting, we'll discuss what the eleven weeks of FasTrak is all about, the mindset required to double your income, and the strategy and mechanics that will get you there.

The Objective- A Steady Stream of Potential Clients

The sales process does not break down because we aren't good salespeople, but because we don't have enough of the **RIGHT** people to talk to. With a steady stream of potential clients, you could rapidly grow your business. FasTrak (the 90-Day Challenge) is designed to do just that.

If you take the challenge, you will join others who will be giving each other practical, tactical, daily and weekly support and community for the entire 90 days in FasTrak.

FasTrak 3 will run every Thursday from Jan. 17th, 2019 and end with a Celebration on 28th March 2019. By this time you should not only have doubled your income but will also have developed a good fundraising system that will ensure success 2019.

**Are you making decisions based on where you are right now in your business?
Or where you want to be?**

Is it time to push forward to a new level?

**Get on the FasTrak. Tap into the power of your peers, get off the treadmill
and get back to the passion that brought you into business in the first place.**
